Narrative

DGUY/FC327

On 052919, I responded to the Larimer County DAs Office and met with ADA Starks regarding this case. He accepted all charges related to the case.

Additionally, on 052919, I spoke with the victim, BELLAMY, via telephone who advised she had found her Apple brand laptop not functioning properly when she returned home. BELLAMY told me the screen was not working. When she plugged the laptop into an external monitor, the laptop operating itself was working though. This was indicating the screen itself to be malfunctioning. BELLAMY believes WOLFE or BIGGERS must have damaged her laptop.

BELLAMY told me the total value to replace the screen was approximately \$650-700 dollars.

At this time, I can not determine if the screen was functioning prior to the incident, nor could I determine who damaged the laptop screen.

End of report.
