This statement concerns an incident which occurred on _____

at approximately 10:00-11:00 hours.

I was in bed and Cody came to my door, pounded on it and shouted « MEETING! » and when I went out into the kitchen, he and Molly Bigger were there, along with a gun. Cody then said to me ~~that~~ something along the lines of "If you don't do this thing, ~~that~~ he'll hurt me with the gun." The gun was laying on the stove and counter, with the barrel pointed at me. He then picked up the gun, and put it in his room, screaming nonsense and transphobic rhetoric. When he came back, he started shouting, accusing me of not paying utilities, of making messes in the common areas I didn't make, and of being a man just because I'm transgender attempting to dehydrate me, calling me a « con man », ending the conversation with something along the lines of « you'd be a better person if you gave your dick back. »

I have made this statement on my own free will and affirm that this information is true and complete to the best of my knowledge and belief.
