Re: Defendant Name: Cody James Wolfe  
District Attorney Case #: D0352019CR001270  
Prosecutor: Gordon P. McLaughlin

Dear Veronique Bellamy:

As the victim of a crime, you have the right to be notified of and be present for court events in your case. These are called critical events. To help you determine whether you would like to attend, a brief description of the hearing is included below. Court events are sometimes changed or cancelled with minimal notice to the District Attorney's Office. We will attempt to inform you of changes or cancellations in advance when we have that information. **You do not have to attend this hearing unless you receive a subpoena.**

This scheduled event will be held at 201 Laporte Avenue, Suite 100, Fort Collins, CO 80521.

**FIRST APPEARANCE**

**Date:** 6/3/2019  
**Time:** 08:15 AM  
**Courtroom:** 5C

At this hearing, the defendant will be informed of his/her rights under Colorado law, what charge(s) have been filed and what the potential penalties are for the criminal charge(s). The judge/magistrate will determine if the defendant wants representation by a defense attorney, and sometimes addresses the defendant's request for modification or reduction of bond conditions. Additional court hearings will be scheduled if the Defendant requests representation to give the defendant time to obtain a defense attorney. You have the right to consult with the prosecutor assigned to the case regarding the resolution of the case. You also have a right to be heard regarding any modification or reduction of bond conditions.

If you plan to attend this hearing and would like me to be present to support you, please contact me as soon as possible. It is normal that you may have additional questions regarding an upcoming hearing or the next steps in the case. Please do not hesitate to contact me.

***Please remember, it is your responsibility to keep the District Attorney's Office updated of any changes to your address and/or phone number to continue to be notified of upcoming court dates.***
